Arts in the Park

51st Annual Arts and Craft Show April 30th – May 1st 2022

PRESIDENT'SLETTER

Happy Spring everyone!! The neighborhood is coming alive with the beautiful trees, shrubs and flowers emerging from their long winter's nap. This is one of the most beautiful neighborhoods in the city in spring time! What a

great time to get your yards in shape for Arts in the Park!!!!

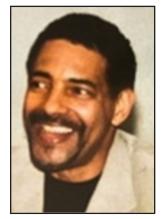

Yes, after a two year covid hiatus, Arts in the Park is back. What a great time to celebrate all our neighborhood has accomplished for the Richmond community!! We need all hands on deck this year to help with set-up on April 23rd and 24th, numbering spaces on Wednesday, April 27th, traffic and hostessing on Friday April 29th and of course parking, traffic, hostessing and coffee serving on April 30th and May 1st. Great volunteer participation from the neighborhood is what makes Arts in the Park such a special event for our artists and attendees each year. Please put Arts in the Park on your calendar now and sign up with Lisa Dilworth, our volunteer coordinator, to be a part of this special weekend event!! Look for email messages in the coming weeks which will contain job descriptions and links for signing up.

Jennifer Hulzing has been working non-stop for months to get us ready to showcase Arts in the Park and I want to thank her, in advance, for a job well done. It takes a village to put on a high quality event of the size of Arts in the Park.

Do Not Feed the Ducks, Geese, and Gulls!

The City Dept. of Parks, Recreation, and Community

Facilities reminds us: PLEASE do not feed the various waterfowl in Byrd Park. Human food such as bread is not healthy for them. If these migratory birds don't move on, they overpopulate the site and their thick droppings pollute ground

and water. Thank you!

Thank you all for your help and support to make the 51st annual Arts in the Park a success!!

So much is happening in our area right now. The Pumphouse Drive stormwater drainage project is in full swing as many of you have seen. This project will likely take till the end of the summer to complete. The Carillon renovation is also ongoing. We were informed they will begin installing the recast bells for the tower this summer and it is expected to take about a year or so to complete that portion of the renovation The bricks at the foot of the building will also be replaced once the bells are in place. I can't wait to have all that fencing gone and our beautiful park restored to its great beauty!!! The replacement of the Reservoir roofing is also in full force. This is also a two-year project that is moving full steam ahead. Please be aware of any traffic changes and road closures around the park due to these projects.

The Carillon Civic Association was chosen by Thrivingcommunities.org to participate in a documentary film last summer that has just been released. We sent a link to everyone on our email blast the 3rd week of March. I hope everyone took the time to view this 22-minute film about how we, as a neighborhood, have grown and flourished over the past 52 years. It truly is a beautiful testament to why people want to be a part of our neighborhood and continue to take pride in the community and strive to keep making this an amazing place to live.

How about that new directory?????? I want to take this opportunity to recognize 3 neighbors who put their heart and souls into finally getting an updated directory for us. Libby Soffee, Pam Lieberman and Gary Smith, we owe you a depth of gratitude for taking on this enormous project and doing a spectacular job!! Months of efforts by these three people and the block captains have really paid off. Every household should have received the directory in early March. Again, my deepest thanks to everyone. The board would like to remind everyone about a few neighborhood housekeeping items that have been brought to our attention. First, please send in your neighborhood dues ASAP. There is a form in this newsletter for your convenience.

Secondly, the board has been working closely with RPD to combat speeding on various streets in the neighborhood. Many of you may have noticed the speed wagon on Blanton Avenue around Thanksgiving. RPD will continue to monitor traffic speeds on this busy road with radar in order to slow down the flows of traffic. Please set an example for others and monitor your own speeds on this road. Douglasdale Road continues to be a problem as well in terms of speeding and many failures to stop at the corner of Douglasdale and Belmont Avenue Both of these 2 problem areas are high foot traffic areas and we are trying to keep everyone safe.

Thirdly, the board has received quite a few complaints lately about cleaning up after dogs leaving dog piles in neighbors' yards. We alerted everyone to this in our email blasts, but wanted to once again reinforce that there is a city ordinance about cleaning up after your pets with fines attached.

Fourthly, the problem with the catalytic converters being stolen seems to be subsiding. There is a bill in the General Assembly to make this crime a felony instead of a misdemeanor. We continue to monitor this situation with the help of RPD. One last issue, PLEASE lock your car doors and outbuildings. There has been a recent rise with the warm weather of people rummaging through cars looking for money and easy items to steal.

A lot has happened over the winter and your CCA Board is working hard to keep everyone informed and be a resource for issues that affect the neighborhood. The Board meets via Zoom the 2nd Tuesday of each month. Please feel free to reach out to any of us with any concerns or issues you would like to have help with.

I look forward to seeing everyone for Arts in the Park! Happy spring ya'll!!
